

7th Annual Uppgaard Christmas Bird Count

Date December 30, 2017 (Saturday)

This year will be the 118th CBC the oldest citizen science project in the country! Join us in counting birds for fun and for science this winter. The count area includes Crosslake, Pequot Lakes, Breezy Point and the Paul Bunyan Scenic Byway!

A fun family event - get out and explore the trails and woods looking for birds.

Where: A Pine Restaurant (Hwy 371 N)

Time : Meet at 7am breakfast (optional)

Duration : half day/ full day ends 5pm

Count Circle : see Map
