**Hello, Paul Bunyan Scenic Byway members,
supporters, friends and Byway area businesses**

This is our 2016 Membership Drive

Welcome New Members!

Thank You Renewing Members, for Your Continuing Support!

For more than 15 years, the 54-mile nationally designated Paul Bunyan Scenic Byway has spread the word about its resources; walking trails, recreational parks, wildlife management areas, paved shoulders for biking, fourteen informational panel kiosks, historic sites, exhibits, and so much more. During just the first ten years of Scenic Byway designation those efforts to spread the word resulted in nearly \$22 million spent by more than 24,000 travelers visiting the region, generating \$7.2 million in labor income. *

The Paul Bunyan Scenic Byway is your Scenic Byway comprised of five county roads - looping its routes through a community of six cities, eight townships and two counties. Paul Bunyan Scenic Byway Association is a 501(c)3 non-profit organization with a vision to strengthen the quality of life and visitor experiences along the route by promoting and enhancing the area's resources and amenities that support economic vitality.

The Paul Bunyan Scenic Byway needs your financial support to continue enhancing our communities through Scenic Byway route projects that further this long-term vision, so future years will continue to be as extraordinary as past years.

Choose membership or donation; whichever fits your situation best.
Have fun on your Scenic Byway and Support What You Enjoy!
