

Linda Ulland Memorial Scholarship Paul Bunyan Scenic Byway Association

The Linda Ulland Memorial (\$1000.00) Scholarship has been established by the Paul Bunyan Scenic Byway Association (PBSBA) and is offered each year to graduates of the Byway route's school districts of Pequot Lakes and PineRiver-Backus. One scholarship will be awarded each year. This scholarship has been set up to honor an individual who has set a Paul Bunyan-sized standard in community service and volunteerism.

The **Linda Ulland Memorial Scholarship** is offered yearly to an individual through application and selection who has:

- a developing and/or demonstrated commitment to environmental issues or has chosen to pursue a career working on environmental issues.
- And/Or • demonstrated active participation in community service or volunteerism or has chosen to pursue a career in the areas of community service or volunteerism.
- And • graduated from a Byway route's high school and is currently pursuing a degree in environmental issues, community service or volunteerism.

Linda Ulland was instrumental in helping the Paul Bunyan Scenic Byway Association organize as a non-profit group and in crafting the bedrock documents that continue to guide the Association today. Her dedication and many volunteer hours assured the establishment and longevity of the Byway for our community.

Linda Ulland served in various capacities in several other organizations including Crosslake/Ideal Lions, Pequot Lakes Chamber of Commerce and Crosslake Lutheran Church. Linda's environmental concerns gave her insight on how to approach issues and projects. For many years Linda involved herself with national and international nuclear waste management issues and served three years as manager at the Minnesota Pollution Control Agency.

The Linda Ulland Memorial Scholarship provides PBSBA with an opportunity to honor Linda's commitment, recognize the results of that commitment, and challenge others to follow in her Paul Bunyan-sized footsteps of community service and volunteerism
